North Yorkshire Citizens Advice and Law Centre aims to enable the people within their area to gain access to information, advice and assistance necessary to participate fully within the community. To this end the service strives to ensure that individuals do not suffer through lack of knowledge of their rights and responsibilities or of the services available or through an inability to express their needs effectively. In addition, it endeavours to exercise a responsible influence on the development of social policies and services, both locally and nationally.

We are a vital open-door service for many people; through our 104 paid staff and 118 volunteers (14 of which are members of the Trustee Board), North Yorkshire Citizens Advice and Law Centre offers a free high quality advice service on a range of issues. This is delivered through our core service, projects, and specialist advice (housing, debt, family law, and discrimination).

We cover all regions of North Yorkshire, and the Law Centre additionally covers York district. The County has a population of over 800,000 (ONS 2019).

We run various outreaches across the county and two advice vans.

Our communications team promote our service across various platforms including social media and our website news page. They also promote the work of our partners and keep MPs of our areas up to date on our activities and campaigns.

Public benefit

We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aim and objectives and in planning our future activities. FINANCIAL REVIEW

Reserves policy

General reserves:

The trustees believe that the bureau should hold financial reserves in order to ensure that the charity can continue to operate and meet the needs of client in the event of unforeseen and potentially financially damaging circumstances arising.

In the event of total withdrawal of Local Authority funding the trustees consider that it would be prudent to set aside an amount equivalent to three months running costs. When the reserves policy was updated in October 2022 this amounted to £729,300.

Designated reserves:

In addition, unrestricted funds totalling £223,900 have been designated for the following purposes:

- Equipment reserve a reserve to ensure that there is sufficient money to replace equipment/cover photocopier lease surrender - £8,700
- Contractual commitment reserve a reserve to ensure that the bureau is able to cover contracted payments to staff covering redundancy, maternity leave and long term sickness £169,200
- Premises a reserve to provide for the cost of dilapidations, lease surrender and office repairs -£36,000
- Advice van and bus to cover unexpected large repair bills £10,000

Total general and designated reserves: £953,200.

At 31 March 2023 general and designated reserves, excluding unrestricted fixed assets of £565,343, totalled £1,040,653.

Funds in deficit

There were no funds in deficit.

FUTURE PLANS

Our Strategic Priorities 2022/25 are:

Report of the Trustees for the Year Ended 31st March 2023

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees (who are also the directors of North Yorkshire Citizens Advice & Law Centre Limited for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

AUDITORS

The auditors, BK Plus Audit Ltd, will be proposed for re-appointment at the forthcoming Annual General Meeting.

Opinion

We have audited the financial statements of North Yorkshire Citizens Advice & Law Centre Limited (the 'charitable company') for the year ended 31st March 2023 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31st March 2023 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and the provisions available for small entities, in the circumstances set out in note 19 to the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Report of the Trustees for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Report of the Trustees has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Report of the Trustees.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to take advantage of the small companies exemption from the requirement to prepare a Strategic Report or in preparing the Report of the Trustees.

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Our approach to identifying and assessing the risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, was as follows:

- The engagement partner ensured that the engagement team collectively had the appropriate competence, capabilities and skills to identify or recognise non-compliance with applicable laws and regulations;
- We identified the laws and regulations applicable to the company through discussions with directors and other management, and from our commercial knowledge and experience of the industry sector;
- We focused on specific laws and regulations which we considered may have a direct material effect on the
 financial statements or the operations of the company, including the Companies Act 2006, taxation
 legislation and data protection, anti-bribery, employment, environmental and health and safety
 legislation;
- We assessed the extent of compliance with the laws and regulations identified above through making enquiries of management and inspecting legal correspondence; and
- Ensured laws and regulations were communicated within the audit team regularly and the team remained alert to instances of non-compliance throughout the audit.

We assessed the susceptibility of the company's financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by:

- Making enquiries of management as to where they considered there was a susceptibility to fraud, their knowledge of actual, suspected and alleged fraud;
- Considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations; and
- Understanding the design of the company's remuneration policies.

To address the risk of fraud through management bias and override of controls, we;

- Performed analytical procedures to identify any unusual or unexpected relationships;
- Tested journal entries to identify unusual transactions;
- Assessed whether judgements and assumptions made in determining the accounting estimates set out in note 2 were indicative of potential bias; and
- Investigated the rationale behind significant or unusual transactions.

In response to the risks of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited to:

- Agreeing financial statement disclosures to underlying supporting documentation;
- Reading the minutes of meetings of those charged with governance;
- Enquiring of management as to actual and potential litigation and claims; and
- Reviewing correspondence with HMRC, relevant regulators and the company's legal advisors.

There are inherent limitations in our audit procedures described above. The more removed that laws and regulations are from the financial transactions, the less likely it is that we would become aware of non-compliance. Auditing standards also limit the audit procedures required to identify non-compliance with laws and regulations to enquiry of the directors and other management and the inspection of regulatory and legal correspondence, if any.

Material misstatements that arise due to fraud can be harder to detect than those that arise from error as they may involve deliberate concealment or collusion.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

21. ACQUISITIONS

On 31 March 2022 the following entities signed merger agreements whereby the trustees of those entities agreed to transfer all of their assets and liabilities to North Yorkshire Citizens Advice and Law Centre Limited at nil consideration.

- Citizens Advice Scarborough & District Limited
- Citizens Advice Craven and Harrogate Districts Limited

In total 6 trustees from these entities were appointed to the board of North Yorkshire Citizens Advice and Law Centre Limited on 10 August 2022. During the year ended 31 March 2023, North Yorkshire Citizens Advice and Law Centre has delivered activities in the districts previously operated by these two charitable companies.

In compliance with the Charity SORP, Company Law and FRS102, the assets and liabilities transferred under the merger agreements have been recognised using the acquisition method of accounting.

The assets and liabilities have been recognised at fair value and the overall fair value has been recognised as a gift and included in donations during the year ended 31 March 2023.

The net fair values included in donations during the year ended 31 March 2023 were as follows:

- Citizens Advice Scarborough & District Limited £327,844
- Citizens Advice Craven and Harrogate Districts Limited £599,424
- Citizens Advice Craven and Harrogate Districts Limited transferred a property with a book value at 31/3/22 of £524,323, this has been transferred at a fair value of £500,000, the reduction in fair value of £24,323 reduces the overall donation from this entity.
- Citizens Advice Craven and Harrogate Districts Ltd received a grant towards the property purchase, at 31/3/22 a balance of £320,670 was included in creditors in relation to this grant. As there are no performance related conditions attached to this grant, the balance of the £320,670 creditor has been recognised in full as donated income during the year ended 31 March 2023 as per the requirements of the Charity SORP and increases the overall donation from this entity.

If merger accounting provisions had been applied, the totals for the years ended both 31 March 2023 and 31 March 2022 would have been as follows:

	31/3/23	31/3/22
	£	£
Total Income	3,021,723	2,526,313
